Work Under Review

Xue Gao, Han Li, Tian Tang, Lanbing Tao, Shuang Li, and Kai Zhang. “The Impact of Policies and Peer Effects on Solar Adoption Equity Among K-12 schools in the U.S.”

Shuang Li. “The Longer We Stay in the U.S., The Healthier We Are? Examining Self-Rated Physical and Mental Health Among Asian and Hispanics by Generational Status.”

Shuang Li. “The Internal Migration Patterns for Foreign-Born Population by Age-at-Arrival, Race, Ethnicity and Nativity.”

Shuang Li, Jessica D. Ulrich-Schad and Edem Avemegah. “A Longitudinal Examination on Sense of Place Among South Dakota Farmers.”

Work In Progress

Shuang Li, Kai Zhang, Hui Zhao, and Jeongok Logan. “Health, Aging, Climate Change, and Intervention Strategies of Farmers in the U.S.: A Literature Review.”

Ryan Wade Becka, Kristi McLeod-Fondren, Shuang Li. “Climate, Cultural Identity, and Sense of Place: Examining Influence on the Health of an Appalachian City.”

Shuang Li, Hui Zhao, and Yu Guo. “Relationship between Spouse Caregiving and Trajectories of Depressive Symptoms and Cognitive Function among Older Adults.”

Research Experience

Department of Sociology, Social Work and Anthropology, Utah State University 2020 – 2022
Conduct literature review, quantitative data analysis, and write peer-reviewed articles related to sampling methods and conservation practices in agriculture.

Department of Sociology and Rural Studies, South Dakota State University 2019 – 2020
Secondary health data collection and quantitative analysis on state-funded projects of *Feeding South Dakota* and *South Dakota Health Assessment* (Funded by SD Department of Health).

Department of Sociology and Rural Studies, South Dakota State University 2018 – 2020
Survey design, distribution, report writing, bivariate and multivariate analysis (logistic regression) on the *South Dakota Farmer Nutrient Management Survey*, *Commodity Crop Producer Sustainability Survey*, and *South Dakota Grassland Livestock Producer Parasiticide Survey* (Funded by USDA).

Department of Sociology and Rural Studies, South Dakota State University 2016 – 2018
Research assistant in State Data Center. Monitor data requests on small area population estimates, health assessments, and school projections. Organize and facilitate regional conferences. Report writing and presentation on local and regional conferences (Funded by the SD governor’s office).

Department of Sociology and Rural Studies, South Dakota State University 2015 – 2016
Qualitative and quantitative data collection through telephone interviews, focus groups and Qualtrics on the project of *South Dakota Women Breast Cancer Study*; participated in *South Dakota Department of Health Panel Discussions* and presented the report based on the survey data.

Department of Sociology and Rural Studies, South Dakota State University 2013 – 2014
Qualitative data coding (using Atlas.ti and NVivo) and analysis on *Quality of Life Survey Project*, in-depth interview and focus group on *South Dakota Community Capacity Initiative*; interview 12 Chinese American families and adolescent immigrants about mental depression caused by acculturation challenges.

Awards/Grants

External

The Northeast Center's r2pIncubator. *Aging Farmer Cognitive Function and Sleep Quality* (In Progress)

NIA-funded Center on the Demography and Economics of Aging. *Race, SES, and Health: A Multilevel Analysis of Residential Segregation and Health Outcomes in Later Life* (In Progress)

Virginia Center on Aging. *Predicting Depression in Dementia Caregivers: Do Religious/Spiritual Struggles Play a Role?* (In Progress)

*Working as a graduate assistant in the following projects.
